Explanation of the Projections for the Coming Year

The Projections for the Coming Year is a month by month estimate of activity in your escrow account over the next 12 months. Your current escrow balance and all anticipated payments to escrow and disbursements are included to determine the Projected Balance column. The Max Allowed Balance column reflects the amount allowed to be retained in the escrow account including the Max Allowed Cushion, also known as the max allowed low balance, as determined by Federal or State law. The lowest balance in the Projected Balance column (a) is compared to the lowest balance in the Max Allowed Balance column (b) to determine if a surplus or a shortage/deficiency exists.

Determining Your Escrow Surplus or Shortage/Deficiency

The Max Allowed Cushion is the minimum balance 21st may require in your escrow account. The Max Allowed Cushion includes up to 2 months of escrow payments to cover increases to your property taxes and/or property damage insurance. The amount retained is determined by Federal and State law or your loan documents.

(a) Projected Low-Point:	-1700.48
(b) Max Allowed Cushion:	566.03

How a Surplus will be Handled

3396.24

-3396.23

If your Projected Low-Point (a) is greater than your Max Allowed Cushion (b), you have a surplus.
 If the surplus is \$50 or greater, Federal law requires that surplus to be returned to you within 30 days from

If the surplus is \$50 or greater, Federal law requires that surplus to be returned to you within 30 days from the date of the analysis. If your account is less than 30 days past due, the overage check will be mailed to you under separate cover. If your account is over 30 days past due, the surplus will be retained in the escrow account until the account becomes less than 30 days past due.

If the surplus is less than \$50, Federal law allows the surplus to be retained in the escrow account as long as a credit is applied to the next year's escrow payments. If this credit is less than or equal to the Base Escrow Payment (1), it will be applied to the escrow payment as the Credit for Surplus <\$50 (3) above. If the credit will exceed the Base Escrow Payment (1), 21st Mortgage will elect to refund these funds. If your account is less than 30 days past due, the overage check will be mailed to you under separate cover. If your account is over 30 days past due, the surplus will be retained in the escrow account until the account becomes less than 30 days past due.

• If Your Projected Low-Point (a) is equal to your Max Allowed Cushion (b), you have neither a surplus nor a shortage or deficiency.
